

WEBSITE PRIVACY POLICY

One Commerce (Int'l) Corporation (One Commerce) respects all data subjects' privacy and shall process their personal information and sensitive personal information (collectively referred to as "personal data") in accordance with law and using security measures and protocols that provide adequate protection to all data subjects' personal data.

This Privacy Policy (Policy) sets out how One Commerce collects, uses, processes, maintains, secures, and shares personal data provided to the company. One Commerce may update this Policy from time to time to reflect changes under the law, government rules and regulations, and the company's internal policies and standards to better protect data subjects' personal information and privacy. Any changes in the Policy will be reflected in the website.

What Do Data Subjects Consent To?

By accessing One Commerce's website and/or providing personal data, data subjects expressly acknowledge that they have read, understood, agree, and consent to this Policy and that they consent and authorize One Commerce to do the following:

1. To collect, record, organize, store, update, modify, retrieve, consult, use, consolidate, block, erase, destroy, or otherwise process the data subject's personal information for any legitimate purpose.
2. To collect, record, organize, store, update, modify, retrieve, consult, use, consolidate, block, erase, destroy, or otherwise process the data subject's sensitive personal information for the following purposes:
 - a. For employment purposes and incidents of employment, including performance evaluations, administrative matters, and others;
 - b. For partnership, joint venture, sale, importation, distribution, or any other instance of business cooperation with One Commerce;
 - c. To execute and implement contracts and agreements;
 - d. To carry out any of One Commerce's legitimate business activities and interests, such as participation in public or private bids, accreditation, registration and compliance with regulatory bodies, evaluations to be conducted by One Commerce's clients, and other legitimate business activity;
 - e. To respond to the data subjects' inquiries and fulfil their requests;

- f. To send the data subject important information regarding its relationship with One Commerce, the company website, changes to its Policy, and other information;
 - g. For business purposes, such as but not limited to data analysis, audit, developing new products, enhancing the company website, improving its products and services, identifying website usage trends, personalizing website user experience through personalized content, and data processing to determine the effectiveness of the company's promotional campaigns.
 - h. To comply with orders of the courts, government agencies, regulatory bodies, and all applicable laws and regulations;
 - i. To allow One Commerce to protect its rights and properties and ensure safety for its partners, stakeholders, officers, employees;
 - j. To carry out investigations relating to breaches of its internal policies and regulations.
3. To share the data subject's personal data to One Commerce's affiliates, subsidiaries, authorized partners or third parties, officers, employees, and other representatives, provided that One Commerce shall ensure that security measures and protocols are in place to safeguard and protect the data subject's personal data.
 4. Retain the data subject's personal data for a period of ten (10) years after cessation of the business transaction, employment, or other contractual or legal relation with One Commerce or upon submission of a written revocation of the data subject's consent, whichever is earlier. After the retention period, the data subject's personal data shall be securely and permanently deleted.

Who We Share Your Information With

One Commerce may disclose and share Personal Data to the following parties on a need-to-know basis and for legitimate business purposes only:

- To its subsidiaries and affiliates;
- To its service providers, vendors, contractors and other third parties who provide support services to One Commerce, subject to confidentiality and non-disclosure agreements;
- To government and law enforcement agencies and regulatory bodies;
- To a third party in the event of any reorganization, merger, sale, joint venture, assignment, transfer, or other disposition of all or any portion of our business or assets, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding, provided that the Personal Data held by us about you are among the assets transferred.

How do we protect your Personal Data?

One Commerce implements the appropriate technical, organizational, and physical measures designed to protect the confidentiality, integrity, and availability of all its data subjects' personal data and to ensure that data processing is done in a safe and secure manner.

How Data Subjects Can Access or Correct Their Personal Data?

Data Subjects are entitled to all applicable rights under the law, including the right to access and correct personal data provided by the data subject. Data subjects may review, correct, update, or delete their personal data by emailing info@onecommerce.com.ph.

How Long Does One Commerce Retain your Personal Data?

Personal data will be retained for a period of ten (10) years from the date consent is given, unless the data subject asks for a shorter period.

Third Party Websites and Other Tracking Technologies

Some content or applications, including advertisements, on the website are served, produced, operated, or sourced from third-parties, including advertisers, ad networks and servers, content providers, and application providers. These third parties may use cookies (alone or in conjunction with web beacons or other tracking technologies) to collect information about the data subject when the website is used.

Third parties may collect information about your online activities over time and across different websites and other online services, and information collected may include personal data. Third parties will use this information to provide data subjects with interest-based (behavioral) advertising or other targeted content.

One Commerce does not control these third-party tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, the data subject should contact the responsible provider directly.
